

# 3 years of Significant Reading Gains

Sandy Lane Elementary  
Clearwater, FL

October 2018

# We Believe:

- Teachers have the single largest impact on student outcomes
- TUNE into READING does not attempt to take all the credit for the reading gains
- However, school leadership and teachers have acknowledged the program played an important, contributing role
- And, 3 different principals used their school budget to purchase TUNE into READING, 3 years in a row

Notes: (1) To provide meaningful results and to protect the privacy of individual students, data are not reported when the total number of students in a group is fewer than 10 or when all the students in a group are in the same category (i.e., all in the same Achievement Level). An asterisk (\*) appears when data are suppressed. (2) Percentages may not add to 100 due to rounding.
